

# HELP US DESIGN YOUR PARK!

We are counting on you to share your ideas  
for the future of Hagan-Stone Park.

## YOUR INPUT IS IMPORTANT TO US!

Everyone is encouraged to join us at our upcoming Community Visioning Workshops. The workshops will provide opportunities to engage participants in a small group setting and ensure that the suggestions and concerns of all are heard. Your ideas will be used to create a consensus-based plan for the future of Hagan-Stone Park.
